

Who are we?

The Menomonee Falls Preschool Co-op was established in 1964 by a group of parents, making our program the longest running preschool in the area. We are a non-profit organization, licensed and supervised by the State of Wisconsin. As a fully accredited, nonsectarian, and nondiscriminatory preschool, we comply with all of the standards set by the state regarding space, facilities, adult to child ratios and health requirements.

What do we do?

Our goal is to enrich and enhance the growth and development of the whole child. Our teachers focus on all areas of children's development: physical, emotional, social, and intellectual. Above all else, we want children to feel good about themselves and others. The involvement of parents in the classroom is a key component to making our program unique and providing children with the best possible early educational experience.

How do we operate?

We are a Co-operative. We are a non-profit organization governed by a Board of Directors. Parents are asked to be a classroom helper approximately four to five times a semester depending on class size. The generous donation of parent's time, talents, and equipment help keep our tuition rates extremely competitive.

Come Visit Us!

See our programs in action during school hours.

Monday - Friday
9:00 - 11:30 a.m.
